

TOUR n°1

French Quarter Culinary History and Tasting Tour

This walking and tasting tour of the French Quarter will immerse you in the history of New Orleans and how its unique cuisine evolved. You will tour historic restaurants and learn about the cultural influences that contribute to New Orleans Cuisine. We'll start in the heart of the French Quarter. As we visit select restaurants and establishments, you will sample a variety of New Orleans' most iconic dishes such as Seafood Gumbo, Crawfish boil or Jambalaya while learning their origins. You will hear about the strong Sicilian influence too while tasting a Muffuletta Sandwich served with Cannoli and Gelato. And when you're full, you can save your Praline from Leah's for an evening sweet treat. More than a food tour, this is the best of New Orleans' history and culinary history combined!

TOUR n°2

Small Group New Orleans Swamp Airboat Tour With Pickup

Experience a Swamp Tour in New Orleans. This airboat tour is a high speed adventure that is part tour and part ride. You will travel at high speeds in the airboat then slow down and stop for pictures. Along the way, you will get a personal tour by your local Captain. Alligators will get close, real close. So close that you will be able to look into those reptilian eyes! The area toured is a combination of Swamp, Marsh and Lake. So you may see anything from a Bald Eagle to a Pelican to Osprey or even an Owl! The boats will take you to inaccessible areas of the swamp, places that you cannot reach by foot or car. It is a unique experience.
